

2016 Bombardier Global 6000 for Sale S/N 9744

The ultra-long-range Global 6000 aircraft was created to answer the needs of the world's most discerning travelers for the ultimate luxury experience with range capabilities that open more routes and possibilities. With its state-of-the-art cockpit and ultra-refined cabin, nothing has been overlooked. The Global 6000 aircraft flies non-stop to the farthest reaches of the globe to meet the more demanding travel needs of today's leaders. The Global 6000 aircraft has class-defining cabin width and a more flexible 3-zone design. Its unique focus on detail includes longer seated lengths, optimized cabin humidity, and an environment incomparably quiet in flight. The cabin is designed to be spacious and luxurious for a more rewarding in-flight experience.

Avjet is pleased to offer this unique aircraft on behalf of its client. We invite inquiries from serious buyers looking to invest in an aviation asset of great beauty and enduring value.
